Awards Ceremony and
Wade Hampton Frost Lecture**

*Georgia World Congress Center
Room A407
2:30 PM, Monday, November 6, 2017*

Welcome to the Epidemiology Section Awards Session!

The Epidemiology Section's Awards Session is an opportunity to recognize Epidemiologists for major accomplishments and contributions to epidemiology and public health. This year, the section will present four awards:

The Abraham Lilienfeld Award recognizes excellence in the teaching of epidemiology during the course of a career.

The Public Health Practice Award recognizes the use of epidemiologic methods in an innovative and creative public health program or project.

The John Snow Award recognizes an outstanding epidemiologist for excellence in epidemiologic practice or research.

The Wade Hampton Frost Lectureship Award recognizes a person who has made a significant contribution to addressing a public health issue of major importance by applying epidemiologic methods.
